ONLINE COURSE

ENGLISH FOR TEACHING

This course is aimed at training teachers who are teaching subject courses in English and is designed for preparing them to teach the subjects in English.

COURSE DESCRIPTION

This course is aimed at training teachers who are teaching subject courses in English and is designed for preparing them to teach the subjects in English.

This course is offered in an online setting in which participants are to participate in 20 meetings of online class through video conference and accomplish the assignments.

The online class includes brief lectures from the instructor, class discussions, video exploration, individual or group work and many other activities. Participants are expected to be responsive by contributing to the class discussions.

The assignment is mandatory and is intended to help the participants prepared for the micro-teaching/simulation sessions. The assignment can be accessed in elearning.telkomuniversity.ac.id or in other platforms agreed by the instructor and participants.
